# DIRECTORY OF PROFESSIONAL ALBERTA THEATRES

Directories of professional theatre companies are available in public libraries, including the Alberta Culture and Multiculturalism Library. For example, PACT Communications Centre publishes *Behind the Scenes*. It is a guide to Canadian non-profit professional theatres and theatre related resources. Even if you are unfamiliar with many of the theatres, the book will give you addresses to contact to find out more about them. American Directories such as *Theatre Profiles* are also available.
